

DITRAMA DIGITAL TRANSFORMATION MANAGER

DITRAMA DIGITAL TRANSFORMATION MANAGER

INTRODUCTION

DITRAMA EU project partners are glad to introduce the training course "*Digital Transformation Manager (DTM) for the Furniture Sector*". It is a **complete and interactive online training course, free of charge**.

It is available in **7 languages** (English, French, Italian, Polish, Portuguese, Romanian and Spanish).

The training materials and on-line course have been created in the framework of the **DITRAMA project**, a Sector Skills Alliance co-funded by the **EU ERASMUS+ programme**, by 12 partners from **8 EU countries**.

The **Digital Transformation Managers** will be in charge of **leading the deployment of the digital transformation** within companies in an integral manner. This professional will require **technical, technological and managerial knowledge and skills, vision** for their deployment within the sector and **transversal skills** for change management.

THE TRAINING COURSE

The course has a duration on 70 hours and offers two training paths: for Higher Education students (**EQF 5 with 2.8 ECVET credits**) and for Vocational Education & Training students (**EQF 4 with 1.4 ECVET credits**).

The complete course consists of **100 micro training pills grouped into 10 units**, that cover strategic as well as practical aspects and it can be done **in full or selecting** the video-pills of interest.

The content, fulfilling **ECVET and EQAVET** standards and principles, is based on a **new joint curriculum** developed by partners and able to cover all those skills and competences needs **identified and validated** with the support of **250 EU experts and stakeholders**.

THE TRAINING COURSE CONTENT

TECHNICAL UNITS

- **Digital technology - exploration of contemporary emerging and potential disruptive technologies**
- **Digital technology - engineering and manufacturing**
- **Digital technology - simulation and AR/VR**
- **Digital technology - data & security**

TRANSVERSAL UNITS

- **Innovation and digital transformation**
- **Leadership in digital transformation**
- **Communication in digital transformation**
- **The people within the digital transformation**
- **Quality, risk and safety in digital transformation**
- **Social and environmental impact of digitization**
- **Final project (optional)**
